

SureSnap® Valve

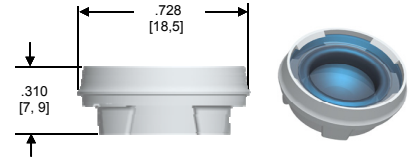

SureSnap Z375

SureSnap S375

SureSnap S634

Patent Pending

Patent Pending

Tooling Status	Production	Prototype	Prototype - Production by 3rd Quarter '09
Valve Material	Silicone - .375" Valve OD	Silicone - .375" Valve OD	Silicone - .634" Valve OD
Retainer Material	Polypropylene	HDPE (Can be PP)	HDPE (Can be PP)
Description	Preassembled PP Retaining Ring with Production V21 or V25 Valve	Preassembled HDPE Retaining Ring with Production .375" Diameter V-Series Silicone Valve - Several valve options	Preassembled HDPE Retaining Ring with Production .634" Diameter V-Series Silicone Valve - Several valve options
Valve Options	V21-200 SureFlo; V25-200 SureFlo **Click Here to View Valve Specifications	V21 & V25 SureFlo valves with any production slit size **Click Here to View Valve Specifications	V1; V2; V6; and V7 SureFlo valves. Each valve available with any production slit size. **Click Here to View Valve Specifications
Applications	Household items such as soap wands & cleaning brushes	Household items such as soap wands & cleaning brushes	Sports Water Bottles
	Condiment Dispensing	Condiment Dispensing	Flexible Seal - i.e. drinking straw, fluid transfer probe, etc
		Soap dispensing systems	Taps, spigots, docking ports, and other fitments
Benefits	Offers Ease of Handling During Assembly	Offers Ease of Handling During Assembly	Offers Ease of Handling During Assembly
	Reduces Incidence of Valve Nesting	Reduces Incidence of Valve Nesting	Reduces Incidence of Valve Nesting
	Eliminates Need for Customer's Custom Plastic Design	Eliminates Need for Customer's Custom Plastic Design	Eliminates Need for Customer's Custom Plastic Design
	Two-Way Valve Pre-Assembled in PP Open Retainer	Two-Way Valve Pre-Assembled in HDPE or PP Open Retainer	Two-Way Valve Pre-Assembled in HDPE or PP Open Retainer
	Compatible with Production .375" Diameter valve	Compatible with Production .375" Diameter V-Series Valves (Any Slit Configuration)	Compatible with Production .634" Diameter V-Series Valves (Any Slit Configuration)
Color Choice	White with Natural Valve	Unlimited (with Moderate Additional Cost)	Unlimited (with Moderate Additional Cost)
FDA Approval	Yes	Yes	Yes
Use of Talc	Yes	Yes / No	Yes / No
Clean Room Molded	No	Yes / No	Yes / No
Minimum Order Qty	Contact us	Contact us	Contact us
Lead Times	4-6 Weeks	Contact us	Samples available immediately - Production ready in 3rd Quarter
